It's here! The moment every collector has been waiting for, bringing you the best of international football without fail, every single year.

At last, it's time for the 2024 edition of PANINI FIFA 365 ADRENALYN XL™, packed with spectacular cards just as you'd expect.

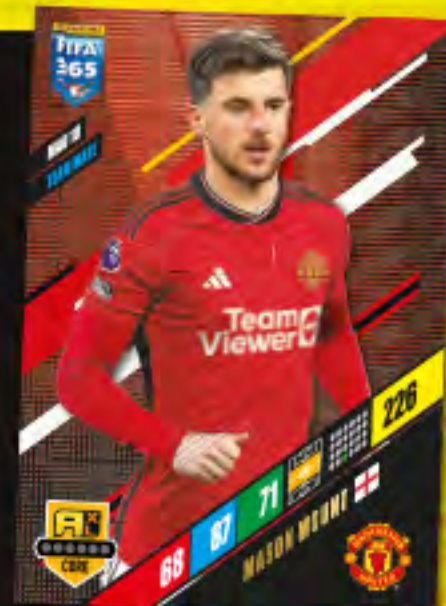

Let's begin with a few surprises. The **TEAM MATES** still sit at the heart of the collection, but now there are 12 for each club, making a total of 240 cards – the largest base set we've ever offered to build the backbone of your squad. Across the two pages dedicated to each team, you'll see two new categories: **DOUBLE TROUBLES** are special cards that prove unity is strength, while the **HOMEGROWNS** are exactly that – players who have come up through the ranks at their clubs. Plus, as an extra treat, this year sees the return of the **TIME MACHINES**, featuring those players whose presence on the pitch is just vital now as it was when they first burst on to the scene 10 or more years ago.

Of course, there are also all our classic cards. If you're looking for the players whose names are always sung by the crowd, check out the **FANS' FAVOURITES** and **CAPTAINS**. For the emblem that represents pride for every club, find the **CLUB BADGES**. But to take your squad up a notch, you'll also need some next-level cards. Start with **TITANS**, **MAGICIANS** and **DOMINATORS**, featuring sick effects and incredible colours, as well as high game values. Pick from the world's toughest goalies with **TOP KEEPERS**, the most promising fresh talent in **RISING STARS**, and watch out for a surprise when you place the three **GIANTS** in your binder!

Finally, we come to the MVPs of the collection: the **TOP MASTERS**, which once again feature the players' autographs, the ultra-powerful **INVINCIBLE**, and the valuable **MOMENTUM**. These cards are so rare, half the fun is the challenge of tracking them down!

And for the return of the Nordic Edition, there are a few more surprises in store, featuring the best players past and present from the Nordic region. **SCANDINAVIAN STARS**, **NORDIC GIANTS** and **NORDIC LEGENDS** are all ready to enrich your collection.

Ready? Tear open your first packet and let the adventure begin!
Adrenalyn XL™... for the love of the game!

GAME RULES

HOW TO PLAY

1 SELECT YOUR SQUAD

Start by forming the best squad from your cards. You must have 11 first-team players and five subs.

2 LINE-UP

GOALKEEPER

What's better? A three-man defence or four? A two-striker system or three? On the gameboard, you can put together every possible formation: the choice is yours!

DEFENDER

MIDFIELDER

FORWARD

INVINCIBLE

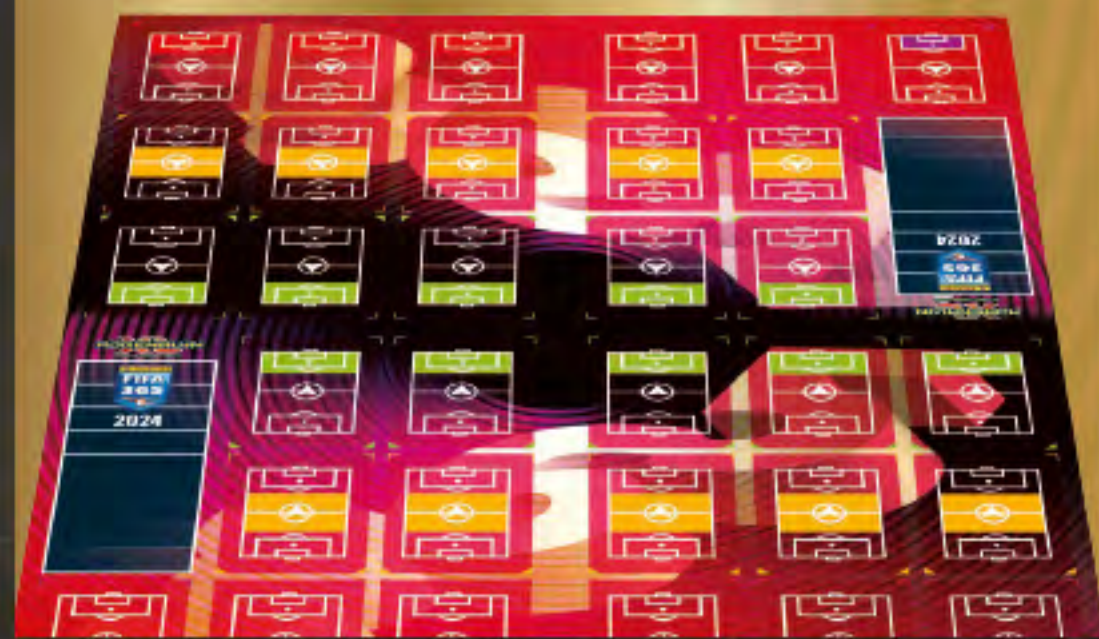

4 KICK-OFF

OK, let's get started! Toss a coin to decide who will kick-off. Did you win the coin toss? Then choose one of your cards and decide whether to attack, defend or control the game. In response, your opponent must choose one of their cards, without revealing it until you've made your play.

3 PREPARE TO PLAY

Place your cards face-down on the gameboard and remember: during the game, you're not allowed to peek! A good coach knows their team like the back of their hand.

ATTACK or...

PLAYER A ATTACKS

PLAYER B DEFENDS

DEFEND OR...

Is your score higher? Wow! You score a goal and keep possession of the ball.

Is your score lower? Your opponent scores a goal and gains possession of the ball. But don't worry, you can make a comeback in the next round!

CONTROL THE GAME

Does your score match your opponent's? Compare your total scores. If they are also the same, the challenge ends without a winner.

At the end of each challenge, the cards must be discarded.

5 FINAL WHISTLE

Once all the cards are used, if you've scored more than your opponent, you win the match!

BONUS CARD

You can also upgrade a TEAM MATE by using with a CLUB BADGE, which boosts all three game values by five points each. But note: these cards can only be used with a TEAM MATE from the same club, and once used, the bonus card must be discarded.

MAKE A SUB

Just like in a real football game, subs can be crucial to secure a win, so use them wisely! You can use five in total: to make a change, switch a sub for a card that's in play before the next challenge.

PENALTY

Is your goalkeeper a penalty-saving master? If you're defending, before your opponent reveals their move, call out, "Penalty!" Compare shoot-out icons, and if your opponent's player puts the ball where your goalie will save it, you win the challenge!

HE SHOOTS, HE SCORES!

THE KEEPER'S SAVED IT!

CARD GUIDE

RARITY ICON

Found a card and want to know right away how rare it is? Look out for the RARITY ICON, which is back by popular demand after making its debut in last year's PANINI FIFA 365 ADRENALYN XL™ collection. At the bottom of the card, by the AXL logo, you will see six dots: the more yellow dots, the rarer the card! They range from zero dots for CORE to six on INVINCIBLE and MOMENTUM.

Look out for special, rare and MOMENTUM cards!

THE VALUE OF YOUR CARD

200 → 230

The total score of the CORE cards is between 200 and 230. But watch out! There are a few surprises...

TEAM MATES

240 CARDS

READY, STEADY, GO!

To start playing, you need a team, and the best place to begin building your collection is with the TEAM MATES, featuring 12 players from each club.

The manager does his team talk, the squad makes its way down the tunnel to the pitch, the captains shake hands... it's time for kick-off!

There are 12 TEAM MATES for each team.

220 → 240

The total value of FANS cards is between 220 and 240.

FANS' FAVOURITES

40 CARDS

CROWD PLEASERS

These are the players who will give everything for the shirt. In tricky times, you need these guys to get the team fired up and turn around any tough situation.

CAPTAINS

20 CARDS

BORN LEADERS

Any team is only as good as its captain, and their ability to lead and inspire their team. These players sacrifice their time and energy to become examples for their teammates to follow, and now they face each other in the centre circle. Outwardly, they look ice-cold, show no fear, and are ready to rise to any challenge.

DOUBLE TROUBLES

20 CARDS

TWO FOR ONE

These pairs pose a problem for any opposition. If unity is strength, whether in defence, midfield or attack, the DOUBLE TROUBLES are more than twice as tough on the pitch!

HOMEGROWNS

20 CARDS

LOCAL LADS

A brand-new category for PANINI FIFA 365 ADRENALYN XL™ 2024, the HOMEGROWN cards feature players who have grown up at the club they play for, and have now become talismans of the team. HOMEGROWN cards display each player's age at club debut.

The total value of these cards is between 220 and 240.

CLUB BADGES

20 CARDS

MORE THAN A SYMBOL

These cards represent the history of football, a symbol that unites the team and fans. Past and present are brought together, in the name of tradition and passion – whether on banners, on the shirt or in the heart.

Played with a TEAM MATE from the same team, CLUB BADGES increase all three game values by five points.

+5

On the CLUB BADGE cards you'll find the year each club was founded and both domestic and international trophies won. Plus, scan the QR code for an extra element.

240 > 270

The total value of the POWER cards is between 240 and 270

TITANS

18 CARDS

DEFENSIVE GIANTS

The strongest defenders, practically unbeatable. With these guys in your back line, the opposition's forwards will have a tough time reaching your goal. Find them, and you'll have a top defence!

MAGICIANS

18 CARDS

MIDFIELD MASTERY

To start an attack with a pinpoint cross takes class and imagination. Luckily, the MAGICIANS have both by the bucketload. These players have wands for feet, with sparks of creative fire to place the ball wherever they want.

DOMINATORS

18 CARDS

BACK OF THE NET!

Goals win games, and for that you need a DOMINATOR, ready to strike at any given moment. Great strikers make the most of any chance to send the ball screaming into the back of the net, just beyond the goalkeeper's grasp.

250

295

The total value of the GOLD cards is between 250 and 295

TOP KEEPERS

9 CARDS

KEEP OUT!

The last line of defence, nothing gets past them. When the opposition's strikers approach your goal, you'll have nothing to fear with a TOP KEEPER between the sticks!

TIME MACHINES

9 CARDS

POWER IN PRACTICE

All well into their thirties, the knowledge and experience these champions have gained over the years is invaluable to their teams. Their skill and talent still wow the fans, too. TIME MACHINE cards all feature each player's total professional appearances for their clubs.

RISING STARS

9 CARDS

YOUNG BLOOD

You'll need more than proven players on the pitch to win games: you also need the drive and passion of new talent, hungry for success and ready to take on anything the future throws at them. The next big thing is here! The birth year of each player is also shown on the RISING STARS cards.

GIANTS

9 CARDS

THE BIG THREE

Three cards, one player. The talent, strength and technique of these three champions is off the scale, it's just too much for a single card to contain! Always ready to show their skill and make football history, true heroes level up.

TOP MASTERS

8 CARDS

COUNT ON US

Thanks to their huge scores (100 in each game value), and their unique and spectacular skillsets, these players guarantee goals and victories.

You can depend upon the TOP MASTERS of world football to overcome any opposition and pull off an unexpected victory for their team.

The TOP MASTERS cards are printed with the autographs of these eight incredible players!

INVINCIBLE

1 CARDS

STARS ALIGNED

With four superstars like these on one extraordinary card, the odds can only be in your favour. A stellar goalkeeper, defender, midfielder and striker, and 101 points in every game value.

Your rivals don't stand a chance!

The INVINCIBLE card can be used in defence, midfield and attack.

MOMENTUM

5 CARDS

HIDDEN TREASURE

They're back! If you were lucky enough to find any or all of these cards last year, you'll know just how incredible they are. If not, here's your chance to find out! The spectacular MOMENTUM cards, with their enhanced game values, are unnumbered as they're outside of the main collection, super-rare and highly valuable. Happy hunting!

290 → 295

The total value of the MOMENTUM cards is between 290 and 295
